

MARINE WILDLIFE CODE

1

Check local weather and sea conditions before taking into the waters.

2

Do not damage or remove corals, shells or any other sea flora and fauna.

3

Do not buy shells and other marine life products as souvenirs as this encourages further destruction of sea products.

4

Do not dispose off litter on the beach or in the sea.

5

Hand feeding fish is prohibited. It disrupts their normal feeding patterns.

6

Follow good practice dolphin and whale watching protocols

7

Do not interfere, feed or touch the marine life,

All KWS parks, reserves and sanctuaries are **SINGLE USE PLASTIC FREE ZONES**.

MOMBASA MARINE NATIONAL PARK & RESERVE

Allure of Natural Beauty

INTRODUCTION

Synonymous with sun, sand, beautiful warm weather and a vibrant town life, Mombasa is one of the great coastal destinations that wanderlust leads most visitors that love the beach to. While in Mombasa, Mombasa Marine National Park is a great find. Her alluring beauty illuminated by the coral reefs coupled with crystal clear ocean waters and marine life will capture you like a magnet.

KEY ATTRACTIONS & ACTIVITIES

The coral life is rich with different varieties/ species; Acropora, Turbinaria and Porites. Other marine life include; crabs, sea urchins, jelly fish, snappers, groupers, surgeonfish and sweetlips. Sea grasses and marine algae life is also present. The birdlife consists of a variety of seabirds in large nesting colonies and internationally significant numbers of crab plovers and roseate tern. Activities that visitors can enjoy are jet skiing, boat rides, sailing and windsurfing. For the water magic lovers, snorkelers and divers, the marine park is a great destination for such leisure activities.

Mombasa Marine is surrounded by beautiful and breathtaking beaches. These include; Nyali, Shanzu, Bamburi and Kenyatta Public beaches.

Other unique and historic sites around the marine park include; Jumba la Mtwana, Fort Jesus, Haller Park and Shree Jain Temple among others.
